New Editor - in Lincolnshire!

One of the great joys that makes our ministry area so special is our connection and relationship with people who live beyond our ministry area. Relationships that are built over many years and sometimes under unusual circumstances.

Andrew Howson became closely connected to St Hywyn's through the tragedy of the sinking of the Swanland off Bardsey in November 2011, which left 6 Russian men drowned.

As a Director of Torbulk, he was involved in the shipping of the stone from Llandulas, but he then found himself taking responsibility for arranging the private memorial service for the Russian families at St Hywyn's and the placing of a memorial headstone overlooking the sea.

When Andrew received February's newsletter by email, asking for someone to take on the newsletter, he knew he could do it, and this would be a good opportunity to pay back something to the church for the support that he had received.

For this we are very grateful and feel blessed by the hand of God.
"Diolch yn fawr iawn Andrew"
